

BO*N*E DRY

Penetrating Permanent Concrete Sealer **PRO**

Coverage: 900sf per 5 gallon pail
Calcium chloride test limits: Unlimited
Relative humidity test limits: Unlimited
 (unlimited unless concrete slab is aged and saturated with water)
Alkalinity limits: 14

Warranty:

This twenty year warranty protects against damaging moisture and vapor migration, alkali and efflorescence from the date of application from the original purchaser. Warranty shall cover 100% of the cost to repair or replace (if actual still available otherwise to match as well as possible) areas damaged including wood flooring, carpet, sheet vinyl, vinyl composition tile, luxury vinyl tile, epoxies and other floor coverings completely for ten years. After ten years the warranty will be based on a pro rata basis. Project warranty information sheet must be completed and sent to Bone Dry Products, Inc. prior to warranty going into effect. This warranty is only in effect when the Bone Dry penetrating concrete sealer is applied in strict accordance with the manufacturer’s printed application instructions.

Warranty does not apply if any of the following occur; structural defects or changes, faulty construction, physical abuse or vandalism, natural disasters, or other causes beyond the control of the manufacturer and the installer. No additional warranty, either expressed or implied, is made concerning the quality, fitness for use, or otherwise, of this installation and the exclusive sole remedy of the owner under this warranty is expressly limited to the supplying of labor and material as stated above, and in no case shall it be applicable to property or contents.
